

Policy for the Mandatory Use of Metal Detectors

The use of metal detectors is required for any event held at the UIC Pavilion or UIC Dorin Forum which meet the any one of following criteria:

- A. The event is organized by an entity not affiliated with UIC;
- B. The organizers anticipate 400 or more persons will attend, or the UIC Venues & Events, in their sole discretion, believe there is a substantial likelihood that 400 or more persons will attend;
- C. Open to non-UIC students, faculty or staff;
- D. Alcohol will be served, there is a live band or other form of musical entertainment, or event has special circumstances, as determined by UIC Venues & Events.

All events where metal detectors will be utilized must notify attendees in advance. Persons entering metal detectors will only be required to remove their phones, keys, coins, wallets, etc. from their pockets.

If a person sets off alarm, they must return to the metal detector entrance, remove all items from pockets and enter again. If they again set off alarm, they will be scanned by a hand held wand. After wandling if detectors still activate, patron will not be permitted to enter the venue.
